- How do interest rates affect my Verizon pension?
- Can I afford to retire now?
- Which pension option is the best for me?
- If I retire from Verizon and need to work, how much will I have to earn?
- I'm under the age of 59 ½, how can I receive monthly income from my pension lump sum without the 10% penalty?
- When should I take Social Security; which claiming strategy is best for my spouse and me?

If you are asking yourself any of these questions, please join us at one of the workshops. Please call 800-246-1433 to register. Space is limited.
